

CHARTER OF THE BOARD OF TRUSTEES (the “Charter”)

This Charter was adopted by the board of trustees of Slate Grocery REIT (the “REIT”) on August 13, 2014.

1. Purpose

The purpose of this Charter is to set out the mandate and responsibilities of the board of trustees of the REIT (the “Board”), subject to the provisions of applicable statutes and the REIT’s declaration of trust, all as amended or amended and restated from time to time.

The mandate of the Board will be one of stewardship and oversight of the REIT and its business, which will include (i) participating in the development of and approving a strategic plan for the REIT, (ii) supervising the activities and managing the investments and affairs of the REIT, (iii) approving major decisions regarding the REIT, including all acquisitions with a purchase price greater than \$50 million (iv) defining the roles and responsibilities of management, (v) reviewing and approving the business and investment objectives to be met by management, (vi) assessing the performance of and overseeing management, (vii) reviewing the REIT’s debt strategy, (viii) identifying and managing risk exposure, (ix) ensuring the integrity and adequacy of the REIT’s internal controls and management information systems, (x) succession planning, (xi) establishing committees of the Board, where required or prudent, and defining their mandate, (xii) maintaining records and providing reports to REIT unitholders, (xiii) ensuring effective and adequate communication with REIT unitholders, other stakeholders and the public, (xiv) determining the amount and timing of distributions to REIT unitholders, and (xv) acting for, voting on behalf of and representing the REIT as a holder of limited partnership units of Slate U.S. Opportunity (No. 1) Investment L.P..

2. Composition

The Board shall consist of a minimum of one and a maximum of nine trustees of the REIT, a majority of whom shall be Canadian residents. The REIT must, at all times, have a majority of REIT trustees who are “independent” within the meaning of National Instrument 58-201 – *Corporate Governance Guidelines* (“NI 58-201”) provided, however, that if at any time a majority of the REIT trustees are not independent because of the death, resignation, bankruptcy, adjudicated incompetence, removal or change in circumstance of any REIT trustee who was an independent trustee within the meaning of NI 58-201, this requirement shall not be applicable for a period of 60 days thereafter, during which time the remaining REIT trustees shall appoint a sufficient number of REIT trustees who qualify as “independent” to comply with this requirement.

Pursuant to NI 58-201, an independent trustee is one who is free from any direct or indirect relationship which could, in the view of the Board, be reasonably expected to interfere with a REIT trustee’s independent judgment.

3. Responsibilities of the Board of Trustees

The Board is responsible for the stewardship and oversight of the REIT and its business and in that regard shall be specifically responsible for:

- (a) to the extent feasible, satisfying itself as to the integrity of the Chief Executive Officer and other executive officers of the REIT and that the Chief Executive Officer and other executive officers create a culture of integrity throughout the organization;

- (b) participating in the development of and approving a strategic plan for the REIT;
- (c) supervising the activities and managing the investments and affairs of the REIT;
- (d) approving major decisions regarding the REIT;

- (j) approving the re-purchase of securities of the REIT, subject to the terms and conditions of the REIT’s declaration of trust;
- (k) reviewing the REIT’s debt strategy;
- (l) identifying and managing risk exposure;
- (m) ensuring the integrity and adequacy of the REIT’s internal controls and management information systems;
- (n) succession planning;
- (o) establishing committees of the Board, where required or prudent, and defining their mandates;
- (p) maintaining records and providing reports to unitholders of the REIT (“Unitholders”);
- (q) ensuring effective and adequate communication with Unitholders, other stakeholders and the public;
- (r) determining the amount and timing of distributions to Unitholders;
- (s) developing the REIT’s approach to corporate governance;
- (t) acting for, voting on behalf of and representing the REIT as a holder of limited partnership units of Slate Retail Investment L.P.; and
- (u) fulfilling such other duties and responsibilities as set out in the REIT’s declaration of trust.

It is recognized that every trustee in exercising powers and discharging duties must act honestly and in good faith with a view to the best interests of the REIT and its Unitholders. Trustees must exercise the degree of care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In this regard, they will comply with their duties of honesty, loyalty, care, diligence, skill and prudence.

In addition, trustees are expected to carry out their duties in accordance with policies and regulations adopted by the board of trustees from time to time, the current trustees’ regulations annexed hereto as Schedule “A”.

It is expected that Management will co-operate in all ways to facilitate compliance by the Board with its legal duties by causing the REIT and its subsidiaries to take such actions as may be necessary in that regard and by promptly reporting any data or information to the Board that may affect such compliance.

4. Expectations of Trustees

The Board has developed a number of specific expectations of trustees to promote the discharge by the trustees of their responsibilities and to promote the proper conduct of the Board.

Commitment and Attendance. All trustees are expected to maintain a high attendance record at meetings of the Board and the committees of which they are members. Attendance by telephone or video conference may be used to facilitate a trustee’s attendance.

Preparation for Meetings. All trustees are expected to review the materials circulated in advance of meetings of the Board and its committees and should arrive prepared to discuss the issues presented. Trustees are encouraged to contact the chair of the Board, the lead trustee of the Board (the “Lead Trustee”), the Chief Executive Officer and any other appropriate executive officer(s) of the REIT to ask questions and discuss agenda items prior to meetings.

Participation in Meetings. Each trustee is expected to be sufficiently knowledgeable of the business of the REIT, including its financial statements, and the risks it faces, to ensure active and effective participation in the deliberations of the Board and of each committee on which he or she serves.

Loyalty and Ethics. In their roles as trustee, all trustees owe a duty of loyalty to the REIT. This duty of loyalty mandates that the best interests of the REIT take precedence over any other interest possessed by a trustee. Trustees are expected to conduct themselves in accordance with the REIT’s Code of Business Conduct and Ethics.

Other Board Memberships and Significant Activities. The REIT values the experience trustees bring from other boards on which they serve and other activities in which they participate, but recognizes that those boards and activities also may present demands on a trustee’s time and availability and may present conflicts or legal issues, including independence issues. Each trustee should, when considering membership on another board or committee, make every effort to ensure that such membership will not impair the trustee’s time and availability for his or her commitment to the REIT. Trustees should advise the chair of the compensation, governance and nominating committee of the REIT and the Chief Executive Officer before accepting membership on other public company boards or any audit committee or other significant committee assignment on any other board, or establishing other significant relationships with businesses, institutions, governmental units or regulatory entities, particularly those that may result in significant time commitments or a change in the trustee’s relationship to the REIT.

Contact with Management and Employees. All trustees should be free to contact Management at any time to discuss any aspect of the REIT’s business. Trustees should use their judgement to ensure that any such contact is not disruptive to the operations of the REIT. The Board expects that there will be frequent opportunities for trustees to meet with Management in meetings of the Board and committees, or in other formal or informal settings.

Speaking on behalf of the REIT. It is important that the REIT speaks to employees and outside constituencies with a single voice, and that Management serve as the primary spokesperson. As a result, trustees should ensure that they adhere to the REIT’s Disclosure and Confidential Information Policy.

Confidentiality. The proceedings and deliberations of the Board and its committees are confidential. Each trustee will maintain the confidentiality of information received in connection with his or her service as a trustee.

5. Meetings

The Board will meet not less than four times per year: three meetings to review quarterly results and one meeting prior to the issuance of the annual financial results of the REIT. The Board shall meet periodically without

Management present to ensure that the Board functions independently of Management. At each Board meeting, unless otherwise determined by the Board, an in-camera meeting of independent trustees will take place, which session will be chaired by the chair of the Board (the “Chair”), if independent, and otherwise by the Lead Trustee. A quorum for all meetings of the Board or any committee thereof shall be a majority of the trustees then holding office or of the trustees on such committee, provided that a majority of the trustees comprising the quorum must be persons who are residents or deemed to be residents of Canada for tax purposes.

The Chair shall be an independent trustee within the meaning of NI 58-201. In the event that at any time the Chair is not an independent trustee, the Lead Trustee will be appointed from among the independent trustees. The Lead Trustee will act as an effective leader of the Board in respect of matters required to be considered by the independent trustees, and will ensure that the Board’s agenda will enable it to successfully carry out its duties.

In discharging its mandate, the Board and any committee of the Board will have the authority to retain and receive advice from outside financial, legal or other advisors (at the cost of the REIT) as the Board or any such committee determines to be necessary to permit it to carry out its duties.

The Board appreciates having certain members of senior management attend each Board meeting to provide information and opinion to assist the trustees in their deliberations. Management attendees who are not Board members will be excused for any agenda items which are reserved for discussion among trustees only.

6. Board Meeting Agendas and Information

The chair, in consultation with Management and with the assistance of the Lead Trustee, will develop the agenda for each Board meeting. Agendas will be distributed to the trustees before each meeting, and all Board members shall be free to suggest additions to the agenda in advance of the meeting.

Whenever practicable, information and reports pertaining to Board meeting agenda items will be circulated to the trustees in advance of the meeting. Reports may be presented during the meeting by members of the Board, Management and/or staff, or by invited outside advisors. It is recognized that under some circumstances, due to the confidential nature of matters to be discussed at a meeting, it will not be prudent or appropriate to distribute written materials in advance.

7. Measures for Receiving Unitholder Feedback

All publicly disseminated materials of the REIT shall provide for a mechanism for feedback of Unitholders.

8. Telephone Board Meetings

A trustee may participate in a meeting of the trustees or in a committee meeting by means of telephone, electronic or such other communications facilities as permit all persons participating in the meeting to communicate with each other and a trustee participating in such a meeting by such means is deemed to be present at the meeting.

While it is the intent of the Board to follow an agreed meeting schedule as closely as possible, it is felt that, from time to time, with respect to time sensitive matters telephone board meetings may be required to be called in order for trustees to be in a position to better fulfill their legal obligations. Alternatively, Management may request the trustees to approve certain matters by unanimous written consent.

9. Expectations of Management

Management shall be required to report to the Board at the request of the Board on the performance of the REIT, new and proposed initiatives, the REIT's business and investments, management concerns and any other matter the Board, its chair or its Lead Trustee may deem appropriate. In addition, the Board expects Management to promptly report to the chair and the Lead Trustee (as applicable) any significant developments, changes, transactions or proposals respecting the REIT or its subsidiaries.

10. Communications Policy

The Board shall approve the content of the REIT's major communications to Unitholders and the investing public including any Annual Report, Management Information Circular, Annual Information Form and any prospectuses which may be issued. The audit committee of the REIT (the "Audit Committee") shall review and recommend to the Board the approval of the quarterly and annual financial statements (including the Management's Discussion & Analysis) and press releases relating to financial matters. The Board also has responsibility for monitoring all of the REIT's external communications. However, the Board believes that it is the function of Management to speak for the REIT in its communications with the investment community, the media, customers, suppliers, employees, governments and the general public.

The Board shall have responsibility for reviewing the REIT's policies and practices with respect to disclosure of financial and other

information including insider reporting and trading. The Board shall approve and monitor the disclosure policies designed to assist the REIT in meeting its objective of providing timely, consistent and credible dissemination of information, consistent with disclosure requirements under applicable securities law. The Board shall review the REIT's policies relating to communication and disclosure on an annual basis.

Generally, communications from Unitholders and the investment community will be directed to the Chief Executive Officer, who will coordinate an appropriate response depending on the nature of the communication. It is expected, if communications from stakeholders are made to the chair or to other individual trustees, that Management will be informed and consulted to determine any appropriate response.

11. Internal Control and Management Information Systems

The Board has responsibility for the integrity of the REIT's internal control and management information systems. All material matters relating to the REIT and its business require the prior approval of the Board, subject to the Board's ability to delegate such matters to, among others, the Audit Committee, the compensation, governance and nominating committee of the REIT and Management. Management is authorized to act, without Board approval, on all ordinary course matters relating to the REIT's business.

The Audit Committee has responsibility for ensuring internal controls are appropriately designed, implemented and monitored and for ensuring that Management's financial reporting is complete and accurate, even though Management may be charged with developing and implementing the necessary procedures.

A meeting of the Unitholders may be held for any purpose on any day and at any time without notice if all of the Unitholders and all other Persons entitled to attend such meeting are present in Person or, where appropriate, represented by proxy at the meeting (except where a Unitholder or other Person attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called) or if all of the Unitholders and all other Persons entitled to attend such meeting who are not present in Person or, where

If at any meeting a ballot is demanded on any other question or as to the election of Trustees, the vote shall be taken by ballot in such manner and either at once, later in the meeting or after adjournment as the chairperson of the meeting directs. The result of a ballot shall be deemed to be the resolution of the meeting at which the ballot was demanded. A demand for a ballot may be withdrawn.

Where two or more Persons hold the same Unit or Units jointly, one of those holders present at a meeting of the Unitholders may, in the absence of the other or others, vote the Unit or Units but if two or more of those Persons who are present, in Person or by proxy vote, they shall vote as one on the Unit or Units jointly held by them.

The chairperson of any meeting of the Unitholders may, in his discretion, accept telecopier or written communication as to the authority of any Person claiming to vote on behalf of and to represent a Unitholder notwithstanding that no proxy conferring such authority has been lodged with the Trust, and any votes given in accordance with such telecopier or written communication accepted by the chairperson of the meeting shall be valid and shall be counted.
